Building Seniors Life Lease Apartments

- Ontario has over 5,000 life lease units today, yet few people know how they are built or run. Churches and communities are now building life lease housing.
- Deirdre, a development consultant and project manager, will explain how Life Leasing works. She will also talk about some of the more interesting seniors projects she has worked on over the years.
- Learn the facts from a pro.

Please bring a “Brown Bag” lunch. Refreshments provided.

This is the fourth in a series of FREE lectures presented by OWN'S Housing Committee. This lecture is open to anyone interested in knowing more about different kinds of affordable housing and bringing housing to women of all ages.

Seating is limited. Reserve your seat by calling: (416) 214-1518
